# About Us

I gave up my financial career in 2010 to pursue a lifelong dream of traveling the world full time. To support myself, I rent my apartments. I'm also a big fan of anything to do with the ocean that starts with an "s" like scuba diving, swimming, surfing, sailing, and snorkeling.

I love meeting people from different parts of the world and look forward to connecting with you as a host or traveler. I will do my best to make your stay as comfortable as possible!

Thank you very much for choosing us and we look forward to welcoming you back soon!
