"The light bounces off the pristine façade of Villa Kristel, resembling the whitewashed bell towers that dot the island. The sun has given the wood of the large terrace facing the wild landscape of Ibiza a weathered look. Inside, the clean and contemporary decor is dotted with bright colors. In subtlety, you live your fantasy. The elegant cream sofa sits alongside an exotic blue turquoise armchair, and plexiglass bar stools surround the gray marble worktop. In the bedrooms, the walls are decorated in trompe l'oeil style wallpapers and pastel colors, forming graphic headboards. In the afternoon, join a volleyball game organized in the garden of this ibiza luxury villa, while others relax on the beach chairs in the shade of the parasols. You can admire the magnificent sunsets right from the infinity pool of the villa. Or take a walk to the beach of Cala Conta, located two minutes from the luxury villa. With your feet in the sand, enjoy the view on the island of Bosc in pink-orange reflections. Later, find a spot on the terrace of the restaurant Sunset Ashram, to savor a dish of braised octopus or fish ceviche with yellow peppers."

## The surroundings

In the heart of Ibiza, the village of Sant Josep de sa Talaia is perched on a hill planted with Aleppo pines. From the front court of the church, there is a panoramic view over the pine forest, and further away, the sea. Let yourself be guided by the sea air to the crystalline waters of Cala Conta, about ten kilometers away. Villa Kristel is just a stone's throw from the sand. Nestled in lush vegetation, this Ibiza luxury villa overlooks this little piece of paradise.
