Description

Mystique is a stunning private property in the exclusive area of Agios Lazaros known for its extensive sea and sunset views. It is a great location to be in as it is close to renown Psarou beach and only a short distance drive to the town. The well-maintained garden displays a great attention to detail instantly noticeable when approaching the outdoor terrace with its large infinity pool being in the most panoramic position which is also well equipped for entertaining or relaxation purpose. An airy and elegant style pervade the indoor spaces, white and off-white colours balance well with the combination of modern and traditional furnishings. Modern amenities find space in an atmosphere one would expect from this caliber of summer residence. The nine bedrooms spread between Great Mystique and Small Mystique showing the same elegance and providing great comfort for the most demanding guests making Mystique a great retreat for both families and groups of friends looking for absolute charm.
