The concept: Iconic dream villa

Dreaming of vacation on the island that never sleeps, yet you need a home away from indiscreet eyes? Welcome to Selena, the luxury Mykonos villa that offers panoramic views in total privacy! Perched on a hill overlooking the sea, the stunning villa is only a 2-minute drive to the beach and 15 to the town, so you won't miss anything from the iconic lifestyle of the island! Gather a group of 12 and get ready to meet the architectural masterpiece that is this home! Selena was selected by Architectural Digest as one of the top houses in the world in its category!

Outdoors

Surrounded by a natural amphitheater of hills, the commodious pool terrace of Selena boasts jaw-dropping views of the Aegean Sea and Agrari Beach, an isolated sandy beach for those who avoid the big crowds. Relax on the loungers by the pool or enjoy a dip in the open-air jacuzzi and let the island breeze blow your problems away. Ambitious cooks, a large wood-fire BBQ is waiting for you to test your skills in Mediterranean cuisine and treat your guests at the pergola-shaded marble table that boasts the same impeccable sea views. The island dream comes true!

Interior Design

Mykonian white lines blending with antiquated style, golden-brown marble floors, wooden ceilings and 17th century furniture throughout the estate, contrasting against the white walls. All floors are paved with the rare Kapandriti marble that is no longer produced and is one of the most expensive types of marble. In the same manner, the ceilings consist of large chestnut wood beams from Mount Athos that are no longer available on the market and are considered to be of the highest quality. Selena is a true bohemian hideout, designed as a complex of 4 independent houses, that offers 6 spacious bedrooms. Total privacy, unpretentious decoration and a welcoming, warm atmosphere. Doesn't it feel like home?

Mykonos Vibes

You are staying at a quiet part of the island, but this doesn't mean you'll miss anything from the unique life-style of Mykonos! Our award-winning concierge is standby 24/7 to help you with anything. Do you need a nanny or a hard-to-get table? She knows the island like the back of her hand and she'll be happy to help you with any service you request. Don't forget to taste the Mediterranean Sea by asking her to book our chef for a delicious dinner at the privacy of your villa.

Good to know

Selena is located in the most exclusive part of Mykonos, where only a distinguished few have built their luxury homes, so it's no wonder that this unique villa is adored by European and Middle-Eastern Royalty who have chosen to spend many summers here.
