

Improve your business with our upgraded QR code solution - **Completely FREE**

THE ONE QR CODE TO RULE THEM ALL!

ALL the information your guests need in one place
The new upgraded QR code solution

With a VayaPin QR code, your guests not only get access to ALL your menus, but also:

**Links to your Social Media profiles,
like Instagram and Facebook - get more followers.**

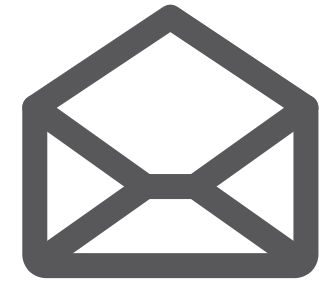

**Direct access to TripAdvisor and Google reviews,
for leaving that 5 star review.**

Direct access to ALL your contact details

Description of your concept in multiple languages

Hola!

ابحرم

你好!

Hej!

Bonjour!

Ciao!

Hallo!

Привет!

Χόλα!

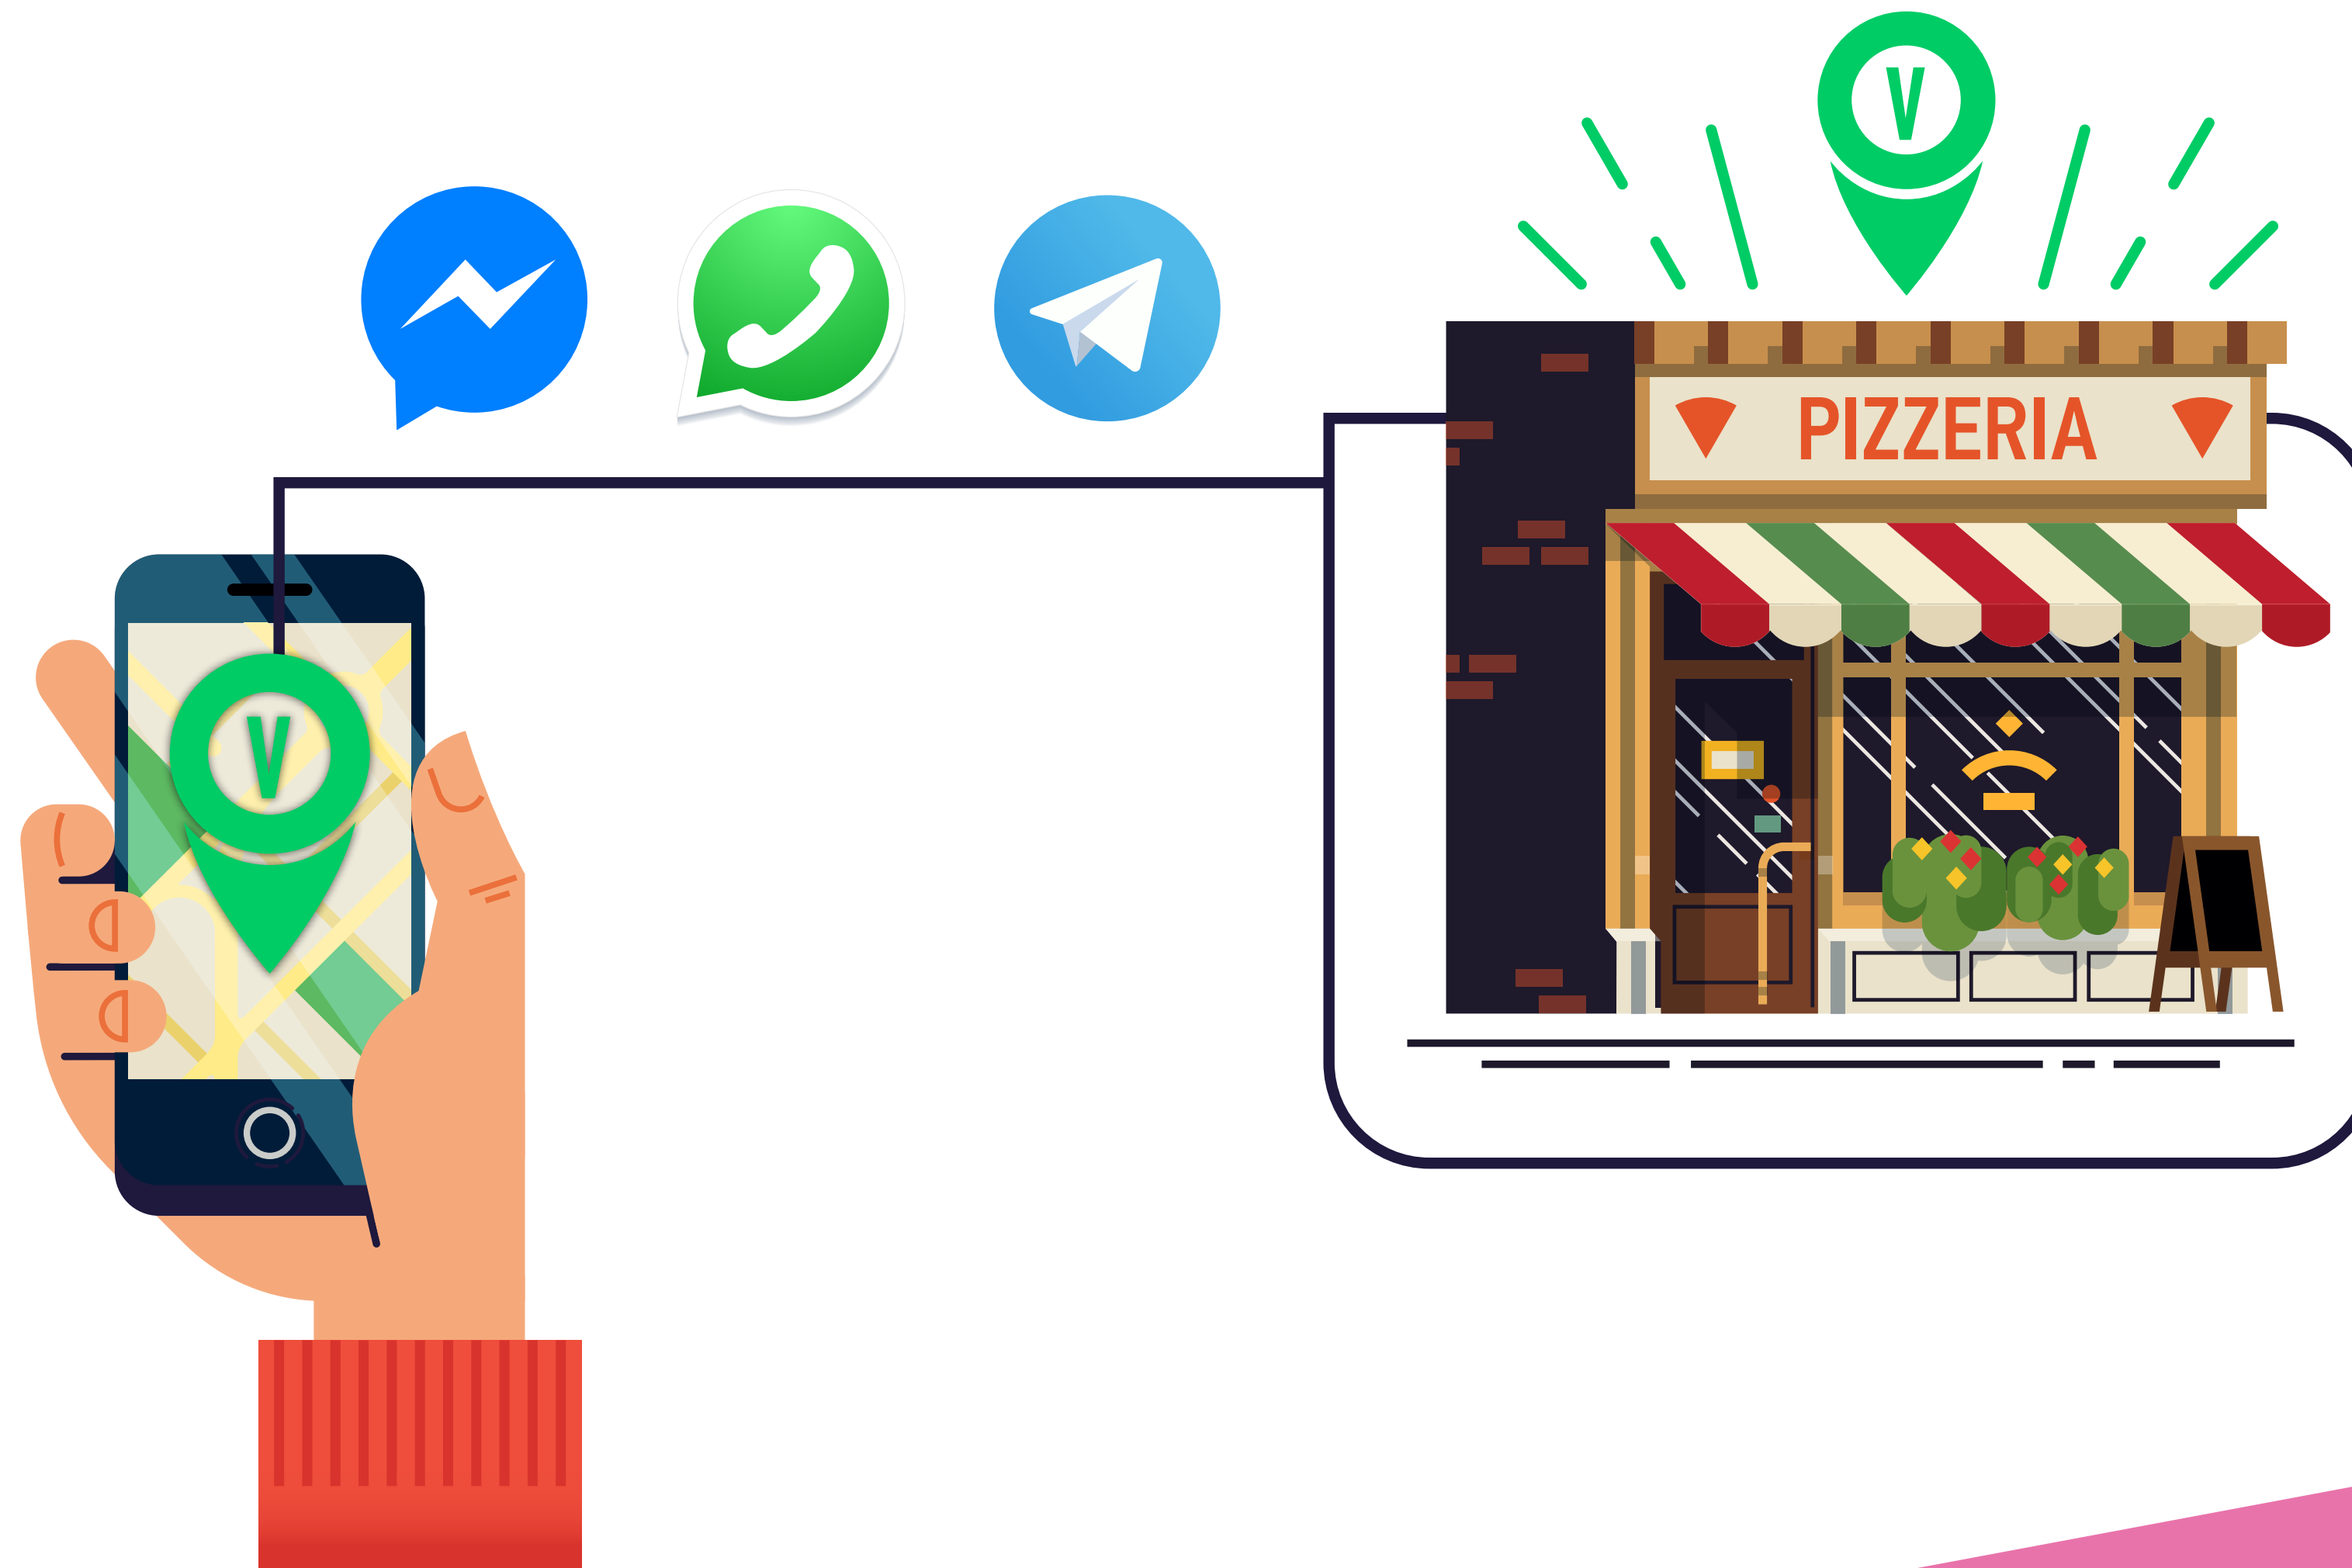

Hello!

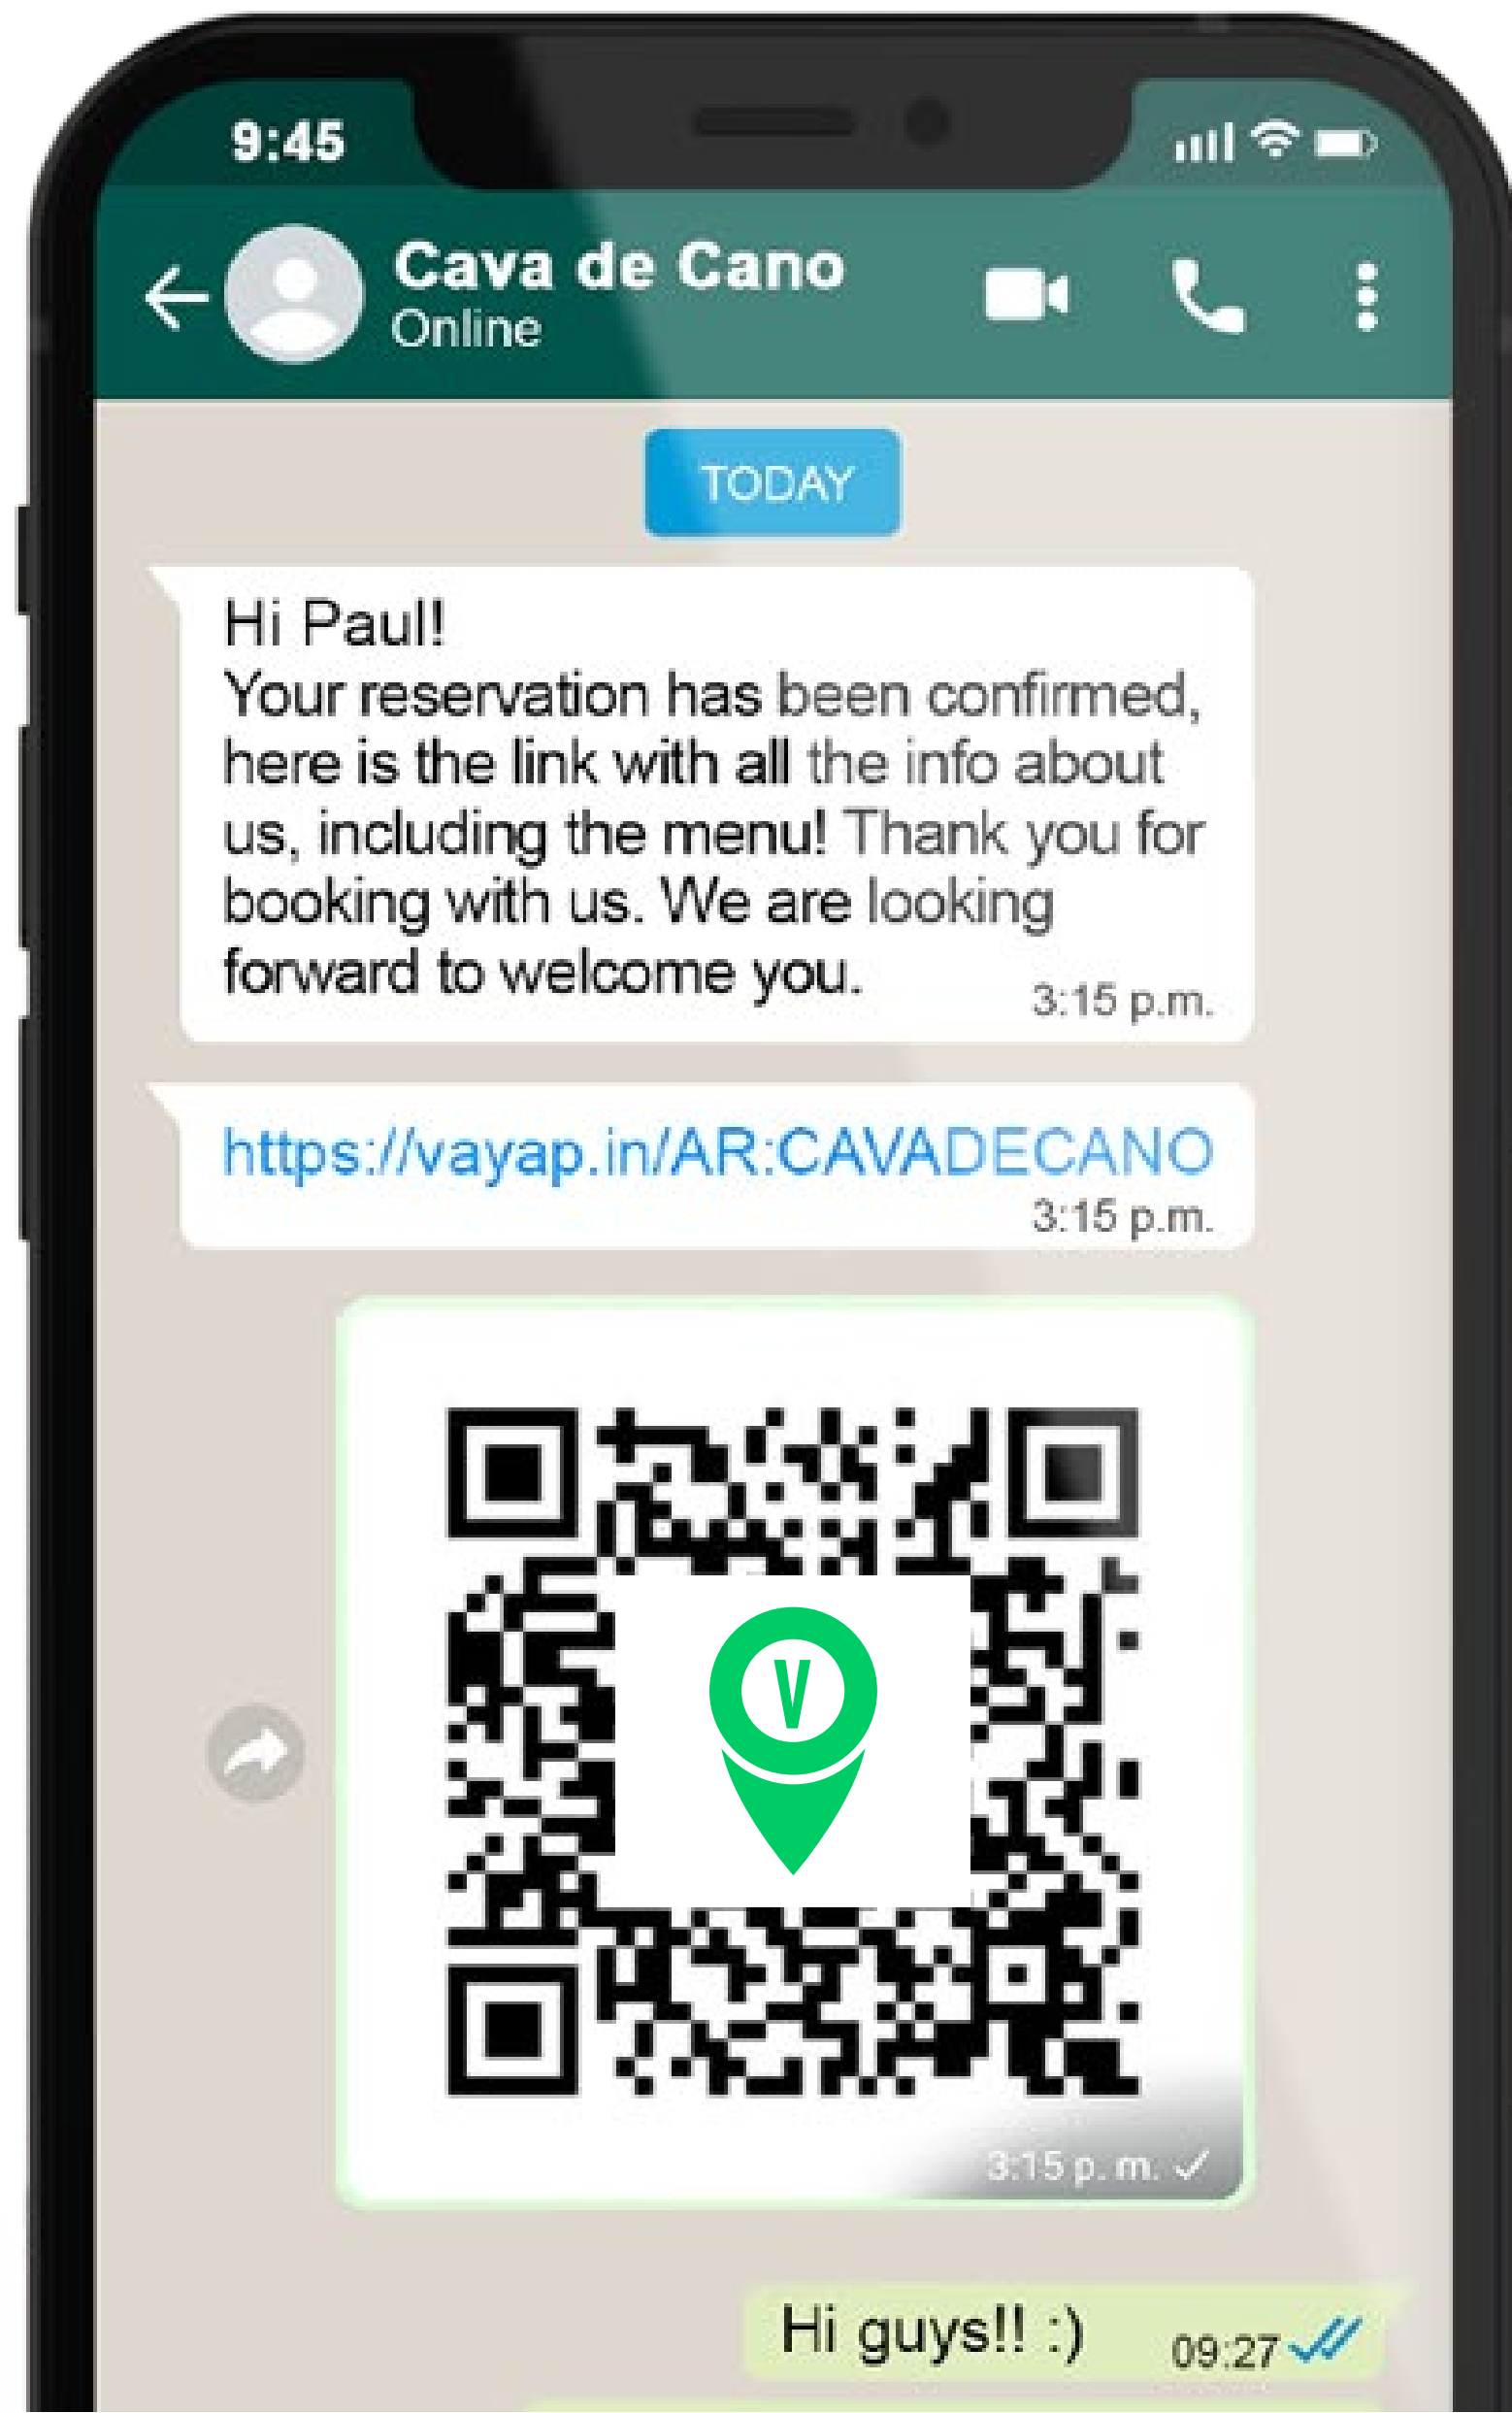

Highlight Images of your place / best dishes / best cocktails

Tempt your guests to order more from your menu!

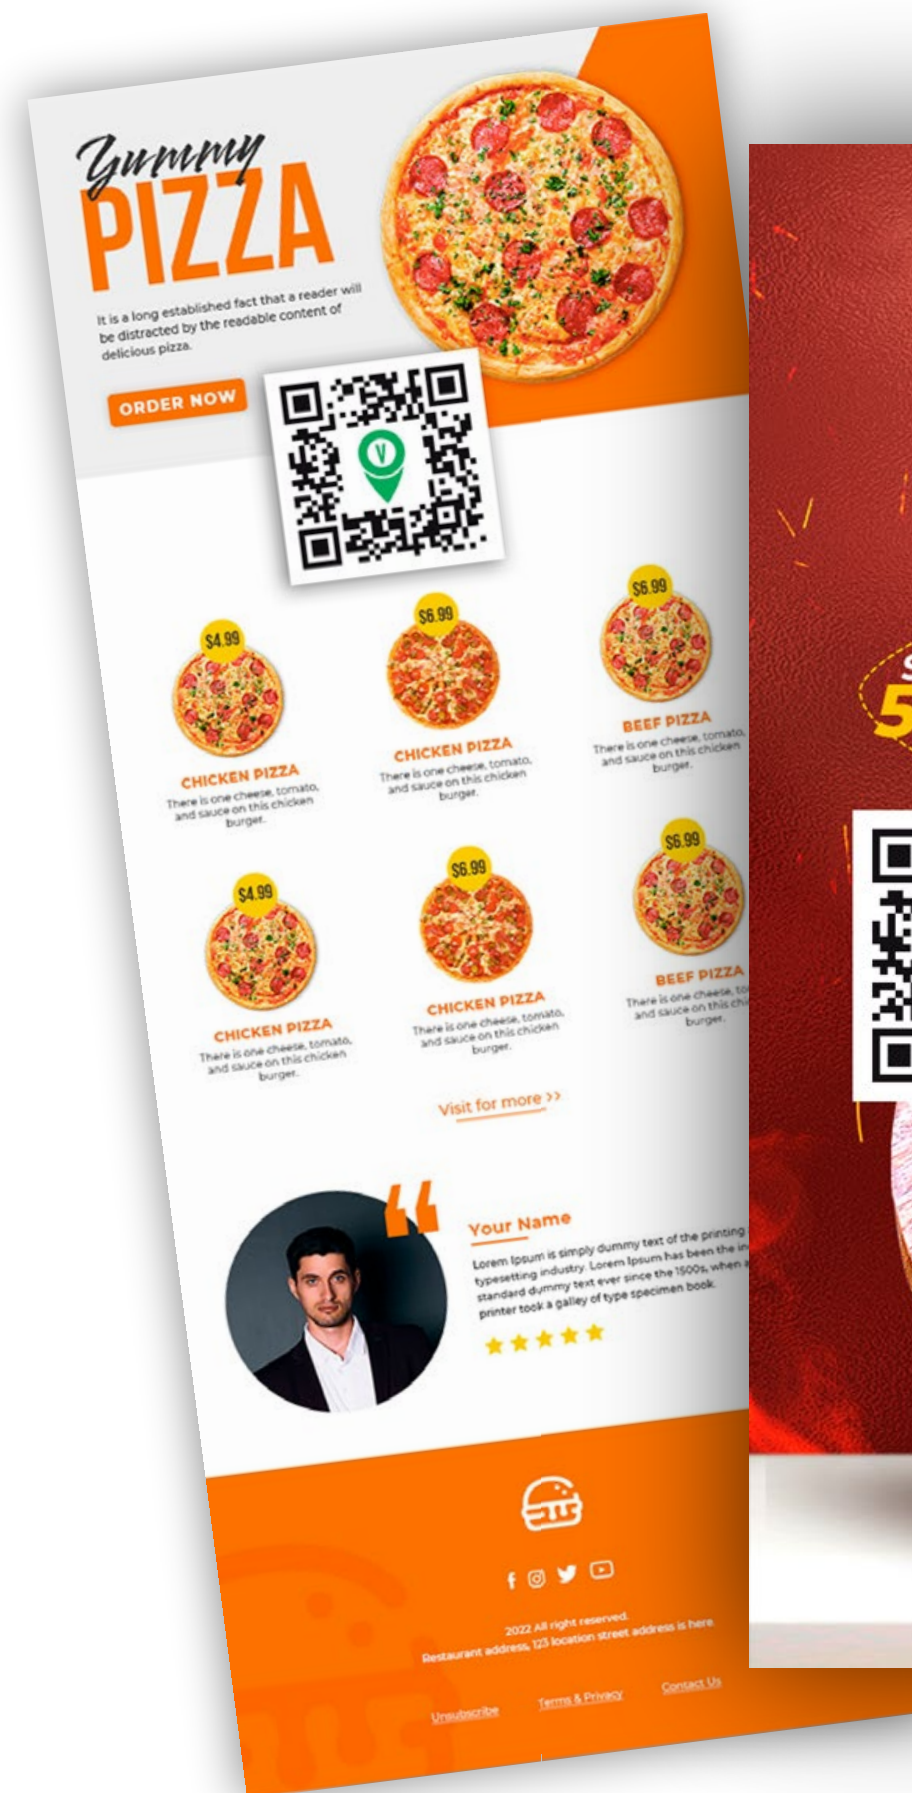

Your guests can easily share your location and information with their friends.

When confirming a table reservation, either by WhatsApp, Mail or Message, you can directly share your **VayaPin** and keep your clients up to date with all the info they need.

You can use the **VayaPin QR** code in any promotional material, invoices, business cards, mailing, etc.

Your guests can get directions, order an **Uber** or a **Cabify**,
directly from our app.

No more copy/paste addresses or typing the wrong location.

Uber

 cabify

Your place doesn't have a website?

No problem! A VayaPin can contain ALL the information of your business and can be easily actualized
