MYKONOS TOWN **MYKONOS**

- 14 Guests
- 6 Bedrooms
- 6 Bathrooms

Overview

Brilliantly combining the traditional Mykonian architecture of whitewashed cubic shapes with stone built parts and wooden pergolas, the property is literally a part of its rocky surrounding with a curved, charming swimming pool and majestic views to the gulf of Mykonos Town.

Laced with numerous balconies, verandas and terraces, this villa unfolds in two levels of diversified facades and uneven shaped buildings all connected to compose a haven of utter luxury and interior design mastery. State-of-the-art furnishings and airy spaces dominate the interiors of the villa offering six bedrooms for up to 14 people. Each one of the bedrooms features its own bathroom while, on the ground level of the villa, a guest house is shaped to welcome persons with disability. Along with the guest house, the ground floor hosts a fully equipped kitchen and a smartly designed living room.

Four bedrooms with twin and double beds, kitchenette and en-suite bathrooms and a single bedroom with en-suite bathroom are located on the upper floor opening to shaded verandas and sun-drenched balconies.

The main covered veranda of the property is equipped with a comfortable sitting area and a large dining space, all sharing the same amazing view of Mykonos town and the emerald Aegean Sea.
