

WELCOME TO OUR OHANA.

--- THANK YOU FOR VISITING! ---

We hope you are enjoying your experience at Ohana's and having a magical time on Nusa Lembongan. At Ohana's we've created a setting for you to be present with loved ones, and create special memories with those important to you whilst taking in the natural beauty of our location. Our menu has been purposefully designed as a fusion of western and Indonesian influences.

--- FEEDBACK ---

We hope you have a fantastic time with us, however if something is not quite right during your experience or not up to expectations, please let our manager on duty know straight away so we can fix it.

We are not perfect - our hardworking and friendly team are humans, not robots - and unfortunately we do make mistakes from time-to-time. Our promise is we will always do our best to rectify any issues we are made aware of so you can leave with a smile and fond memories.

--- SHARED FAMILY DINING ---

Our menu has been designed with social and shared dining in mind.

Dishes will be brought out when they are ready, rather than all at once.
