

ABOUT THE VILLA

Spectacular villa located in the exclusive area of Es Cubells

This incredible villa is located in the hills of Es Cubells, in the south of Ibiza, where the coves and cliffs are the main point of tourist interest. It is located near Porroig, a unique cove recommended for its tranquility. The famous beach of Sa Caleta, a small cove to the south of the island, is only 15 kilometers away, as well as some Phoenician sites.

Surrounded by greenery and overlooking the bay of Es Cubells, Villa Jumali breathes tranquility - ideal for those seeking the perfect getaway.
